**MOTION TO SET JURY TRIAL DATE**

The United States of America, by and through Robert E. McGuire, Acting United States Attorney, respectfully moves this Court to set a jury trial date in this matter. The Defendant made an Initial Appearance on June 6, 2025 (DE # 10) and was arraigned on June 13, 2025 (DE # 53). The Defendant is entitled a jury trial within 70 days of his initial appearance. 18 U.S.C. § 3161(c).

The United States notes that it has moved for a protective order for discovery (DE # 68) and is in discussions with defense counsel about whether the parties can agree on a protective order for discovery. Once the parties can agree on a protective order and can submit same to this Court, the United States is prepared to make a discovery production immediately thereafter.

While, as noted, the discovery process is ongoing, the United States feels it is appropriate for the Court to set a date for a jury trial to comply with the Speedy Trial Act. The United States would seek to try the defendant as soon as possible.

Respectfully Submitted,

/s/ Robert E. McGuire
